

# FEARLESS COACHING

## DR. KATE ANDERSON-FOLEY Creative Leadership Solutions

**F**earless Coaching will increase School and District Leaders' capacity as instructional leaders. Coaches will learn how to use the Fearless Coaching tools that are designed to enhance equity-focused school improvement and collaboration. Coaches will learn what fearless coaching is and is not, identify ways to build psychologically safe relationships, and practice effective coaching stances that propel their leaders to achieve their goals. Coaches will leave with an actionable coaching toolkit that can be immediately implemented and that's aligned to the Five Key Practices of School and District Leaders aimed at transformational change.

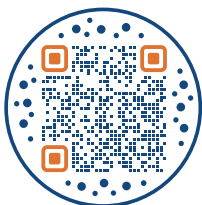

All registrants will receive Creative Leadership Solution's book, *Fearless Coaching*.

**Dr. Kate Anderson Foley** is a transformational leader with significant experience leading public school districts and states toward equitable and integrated services for all learners. She has led organizational change utilizing a strategic framework that ensured guaranteed and rigorous learning leading to college and career readiness for all students. Kate's systems-thinking approach has led to preventative, nimble systems that intentionally address opportunity gaps of all learners, regardless of background or circumstance, including equity-based school funding models.
