**NOTICE OF PUBLIC HEARING**

A public hearing will be held by the Sacramento County Committee on School District Organization (County Committee) to receive public comment and input from the community regarding the Elk Grove Unified School District's (EGUSD) proposal to change its method of electing governing board members. Currently, seven EGUSD board members are elected under a "hybrid at-large" system, where one board member residing within each of the seven currently existing trustee areas is elected by the registered voters of the entire school district. EGUSD proposes to change its election method so that one governing board member residing in each trustee area will be elected by the registered voters residing in that trustee area ("by-trustee area elections"). At the conclusion of the public hearing, the County Committee may take action to approve or disapprove EGUSD's proposal to change election methods, including its proposed trustee area boundaries map and sequence of elections.

The public hearing is scheduled for **Thursday, September 9, 2021 at 6:30 p.m.**
