

STATE SEAL OF BILITERACY

for Eligible Graduating High School Seniors

2024

Recognition Ceremony

April 30, 2024 • 4:30 PM

Center High School Performing Arts Auditorium

Welcome

David W. Gordon
Sacramento County
Superintendent of Schools

Welcome to the 12th annual State Seal of Biliteracy ceremony to honor multilingual students in Sacramento County!

Congratulations to our high school seniors who have attained a high level of proficiency in being bilingual and in multilingualism. These students have met rigorous state criteria and have demonstrated their linguistic abilities in English and another language through examinations, grades, and coursework. By meeting these requirements, the California Department of Education awards these students a gold “State Seal of Biliteracy” for their diplomas.

In addition to English, this year’s State Seal of Biliteracy recipients are proficient in 35 other languages, including American Sign Language, Amharic, Arabic, Armenian, Bosnian, Cantonese, Czech, Dari, Dutch, Farsi, French, German, Gujarati, Hindi, Hmong, Japanese, Korean, Mandarin, Mongolian, Norwegian, Pashto, Polish, Portuguese, Punjabi, Romanian, Russian, Spanish, Tagalog, Tamil, Telugu, Turkish, Ukrainian, Urdu, Vietnamese, and Yoruba. More than 91 students have earned Seals in multiple languages. The Sacramento County Office of Education is proud to offer language exams that support the diversity of the families and students in our schools.

We would like to thank the following Sacramento County school districts and charters for their collaboration in this year’s State Seal of Biliteracy program: Center Joint USD, Elk Grove USD, Folsom Cordova USD, Galt Joint Union HSD, Natomas USD, Natomas Charter School, Natomas Pacific Pathways Prep, River Delta USD, Sacramento City USD, Sacramento County Office of Education, San Juan USD, Visions in Education, Twin Rivers USD, and Futures HS. Through their combined efforts, nearly 2,200 students qualified for the State Seal of Biliteracy in 2024.

A handwritten signature in black ink that reads "David W. Gordon". The signature is written in a cursive style.

Keynote Speaker

Alesha Moreno-Ramírez is a spirited educator with a passion for service to students, families, and communities. As the Director of the Multilingual Support Division with the California Department of Education since 2021, Alesha brings a voice of advocacy, action, and support with intent to advance California's English Learner Roadmap policy and grow multilingual learning opportunities for children and youth across the state. She revels in empowering individuals in all capacities to promote positive experiences and outcomes for California's population of culturally and linguistically diverse students.

About the State Seal of Biliteracy

The State Seal of Biliteracy is an award given to graduating high school students who have studied and attained proficiency in English and one or more languages. The Sacramento County Office of Education collaborated with participating local districts and charters to identify candidates for this award; verify their language skills in reading, writing, listening, and speaking; and to publicly recognize students for their exemplary achievement. Students receiving the State Seal of Biliteracy met the criteria of one of the options in numbers 1 and 2 below:

- 1) Demonstrated proficiency in English using one of these options:
 - Completed all English-language arts requirements for graduation with an overall grade point average of 3.0 or above in those classes; OR
 - Pass the California standards assessment at the “standards met” or above in English language arts (ELA) at the 11th grade or a local assessment; OR
 - Pass the Advanced Placement (AP) exam with a three or above, OR the International Baccalaureate (IB) exam with a four or above, or the Evidence-Based Reading and Writing section of the SAT with a 480 or above.
- 2) Demonstrated proficiency in one or more languages in addition to English. To meet this requirement, some students passed the Advanced Placement Exam, the Scholastic Assessment Test II, or an ACTFL Writing Proficiency Test (WPT) and Oral Proficiency Interview (OPI) with minimum scores of intermediate-mid, or a locally administered

language exam. Others successfully completed a four-year high school course of study in another language, including oral proficiency.

If the student is currently designated as an English learner, the student has also demonstrated oral English proficiency in English by obtaining an oral language composite score of level four on the English Language Proficiency Assessments for California (ELPAC).

Voices from the Class of 2024

We are proud of all the recipients! To capture the student voice, we asked an optional question: *What does getting the State Seal of Biliteracy mean to you?* Here are some of the responses.

"Getting the State Seal of Biliteracy means representing who I am as an individual and the roots behind my hard work."

"I have worked incredibly hard to maintain a high level of proficiency in my languages. Being awarded for being proficient means the world to me. With this seal, it will help me get jobs in the future and be able to translate and help those who need it in the future."

"Getting the State Seal of Biliteracy means to me being able to validate officially the language I have spoken my whole life and finally being able to use it in an official manner, much like I do English."

"It's something super special because I'm the first to graduate with a State Seal of Biliteracy in my family."

"I see it as a reflection of not just my achievements in becoming proficient in a second language, but also the tremendous efforts by my teachers who prepared me over the years and fine tuned my skills in speaking a second language. Shout out to Mrs. Huynh."

"It shows that I can deal with many more situations in my life, and except my native Ukrainian language, I can learn many other languages, like I did with Russian and English."

"It means I am officially titled a bilingual person by the state. It represents the effort I put into learning English fluently and continued to stay proficient in Spanish as well. It's the recognition I put into getting this Seal."

"On the surface, it validates a lot of work put in throughout many years that can even be traced back all the way to my elementary school, where I was first formally introduced to the language. Learning a second language, especially outside of home use, is definitely not a straightforward thing to do, and is filled with a lot of confusion and struggle. On a deeper level, it also gives an official name to being able to successfully communicate with others outside of my own community. To me, that's almost getting the key to a new world and new experiences that previously would've been outside of my reach."

"I'm excited to receive this seal as it demonstrates my hard work and commitment to learning a new language. As a future member of the healthcare system, I want to be able to improve and foster the communication between myself and patients so that everyone may be treated well and understood properly. This seal is proof that I have dedicated myself to my future."

Alphabetization in the Spanish Language

Which last name goes first in Spanish? Traditionally, a person's first surname is the father's first surname (apellido paterno), while their second surname is the mother's first surname (apellido materno). Following tradition, names in this list are alphabetized by first surname.
